LeetCode

EDUCATION

Examination	Board/University	Institute	Year	Score
B.Tech	GEHU, Dehradun	GEHU, Dehradun	2023–2027	7.69/10
12th Grade	UK Board	GMIC Dhumakot	2021	90.2%
10th Grade	UK Board	GMIC Dhumakot	2019	88.6%

CORE COMPETENCIES

Database Management • Data Structures • Algorithm Design • UI/UX Development

PROJECTS

• Uttarakhand Tourism Planner | AI, C++, HTML, CSS

Guide: Ms Sonal Malhotra

- Developed a C++ console-based system to generate optimized travel itineraries.
- Used DP (Knapsack), Greedy, and Bin Packing with inputs like budget, days, and district.

• Automated Attendance System | C, Database

Guide: Mr Deepak Uppadhyay

- Built an automated attendance system in C to reduce manual effort and errors.
- Implemented logic for accurate marking, storage, and management of attendance records.

• Battery Optimizer (Operating Systems Project) | Frontend, Tracking, HTML, CSS

Guide: Ms Richa Gupta

- Designed a battery optimization model using OS scheduling and resource management.
- Improved system efficiency and battery life through optimized power handling.

POSITIONS OF RESPONSIBILITY

Team Lead – Development Project | Managed a team of 3 developers

2025

- Led a 3-member development team in designing and delivering a complete project from conception to deployment.
- Mentored team members on best practices and collaborative development methodologies.

TECHNICAL SKILLS

Languages: C, C++, JavaScript, Python

Tools: VS, Git, GitHub, SQL

Frontend: HTML, CSS, React

Courses: DBMS, OS, DSA, CN

ACHIEVEMENTS

- Solved **150+ DSA problems** across various coding platforms, demonstrating strong problem-solving consistency.
- Achieved **Certification** in NPTEL course “Programming in Java” (IIT).
- Secured **Top 5% Distinction** in NPTEL examinations.
